To help you in completing this reference please read the following notes. These are intended to explain the task of a Town Pastor and help you assess the suitability of the applicant wishing to apply for this role.

What is a Town Pastor?

A Town Pastor, working as part of a team and in collaboration with the police and local council, seeks to be a positive influence principally on the streets of the town centre and other night life areas.

The role of a Town Pastor is about listening, caring and helping young people. It is about showing concern and offering assistance where appropriate as ambassadors for Christ, in a non-judgmental and unconditional way. Town Pastors are not there as evangelists, but can share their faith if asked, in ways that respect the questioners.

Town Pastors seek to be a positive presence on the streets available to offer support to vulnerable people, de-escalate potential trouble and generally assist the police and others.

For reasons of personal safety and to make the most effective use of the Town Pastors, they are monitored by CCTV in the town centre area and are in radio contact with the CCTV control room.

Town Pastors work closely with the police and are governed by a protocol agreed with Suffolk Constabulary. Town Pastors also work closely with the Local Authority (West Suffolk Council).

Expectations and Commitment

A team of four Town Pastors will usually be out on the streets at any time. The team will then divide and patrol in pairs. The desire and ability to work as part of a team is therefore essential.

Town Pastors must be over 18, Christian and part of a local church.

Town Pastor teams are out in the town centre on most Saturday nights. The teams patrol from 10pm to around 4am on these nights. On average, each Town Pastor is expected to be out one night a month.

Please be assured that all information given will be treated in the strictest confidence.
